

Over-the-Counter (OTC) Benefit Catalog

As a member of Keystone First VIP Choice, you have a quarterly over-the-counter (OTC) benefit which allows you to order OTC products such as bandages, cold and allergy medicines, pain relievers, and vitamins, at no cost to you. Please check your **Summary of Benefits** or **Evidence of Coverage** to see what your quarterly benefit amount is. Benefit amounts do not roll over, so be sure to use them before the end of every quarter. Ordering is easy. Just call the toll-free number or fill out and mail the order form provided. Your order will be shipped directly to your door.

You can order OTC products without having to talk with your doctor, but we always recommend that you talk with your doctor before starting a new product regimen.

Keystone First VIP Choice is an HMO-SNP plan with a Medicare contract and a contract with the Pennsylvania Medicaid program. Enrollment in Keystone First VIP Choice depends on contract renewal. This plan is available to anyone who has both Medical Assistance from the state and Medicare. This information is not a complete description of benefits. Call Member Services at **1-800-450-1166 (TTY 711)**, 8 a.m. – 8 p.m., seven days a week, for more information.

HELPFUL INFORMATION

- You can place your order by mail or phone. To place an order by mail, please mail your order form to OTC Servicing Center, P.O. Box 267067, Weston, FL 33326. To place your order over the phone, OTC advocates are available Monday – Friday, 8 a.m. to 11 p.m. ET, at **1-800-580-7187 (TTY 711)**.
- After your order is placed, please allow seven to 10 business days for delivery. Returns are not accepted.
- OTC items are available through mail order only. Products may not be purchased at a local retail pharmacy or through any source other than the Keystone First VIP Choice OTC Benefit Catalog.
- If you disenroll from Keystone First VIP Choice, your OTC benefit will automatically terminate.
- Orders may only be placed by a member, a member's authorized representative who has been verbally approved by the member at the time of the order, or a member's power of attorney representative whose name is on file.
- OTC products are intended for members' use only. Keystone First VIP Choice prohibits the purchase of OTC items for family members and friends.
- We encourage you to use your full quarterly benefit amount in one order. This benefit amount does not roll over from quarter to quarter.
- If you place your order using an order form, your order total will be applied to the quarter in which we receive your form. For example, if you mail your order form on June 29, but we receive it on July 1, your order total will be applied to your July (or third-quarter) benefit, not your June (or second-quarter) benefit.
- If you're getting close to the end of the quarter and you do not think your order form will be received in time, please call in your order. Our OTC advocates are available to take your order Monday – Friday, from 8 a.m. – 11 p.m. ET, at **1-800-580-7187 (TTY 711)**.
- Your quarterly order total may not exceed the quarterly benefit amount. You may not use cash, checks, money orders, or any other form of personal payment to purchase items under this OTC benefit.
- Items in the OTC Benefit Catalog may change throughout the year. A copy of this catalog is also available on the Keystone First VIP Choice website at **www.keystonefirstvipchoice.com**. For up-to-date information, please call our OTC advocates Monday – Friday, from 8 a.m. – 11 p.m. ET, at **1-800-580-7187 (TTY 711)**.

*These items may also be covered by the plan, or Medicare if you are not enrolled in the plan, if your health care provider determines them to be medically necessary.

‡ Dual-purpose items are medicines and products that can be used for either a medical condition or for general health and well-being.

In certain circumstances, some items in this catalog may also be covered under your Medicare Part B (medical) benefit or Part D (pharmacy) benefit. These items have a *B or a *D after their names. For example, alcohol pads are covered under Part D if they are used for administering insulin. For all other purposes, this item is covered under your OTC benefit.

			TOTAL ORDER \$

If you use an order form, your order total will be applied to the quarter in which we receive your form. For example, if you mail your order form on June 29, but we receive it on July 1, your order total will be applied to your July (or third-quarter) benefit, not your June (or second-quarter) benefit.
